Bleaching with SIROLaser – Advance and Xtend

Create a catching smile for all.

White is in vogue. Realize your desires.

Whiten your teeth? No need for a Specialist to whiten your teeth. Now with the SIROLaser Advance and SIROLaser Xtend you can create a catching smile using light: quickly, easily and professionally. The adapter is easily inserted and enhancement can begin. This ensures not only satisfied patients, but also uncomplicated workflows for the dental practitioner. **Enjoy every day. With Sirona.**

SIROLaser – Advance and Xtend

Laser that easily turn teeth white. With the thermal activation of a bleaching gel, teeth become beautiful so much faster.

The new bleaching adapter

A beautiful smile in the twinkling of an eye: simply insert the adapter and you're ready to go. Now that is a professional workflow.

The benefits at a glance

- Satisfied patients with enchanting smiles
- Esthetically pleasing teeth quickly and easily
- Uncomplicated and fast treatment
- Targeted bleaching of individual teeth for professional results
- No additional software required
- Perfect workflow for the dental practice
